

## Price List 2017

The Royal Albert Dock Trust, the charity which owns and operates the centre is dedicated to providing water sports activities for all. Our sports are offered regardless of ability or background and are affordable, accessible and fun. 60,000 young people visit every year to learn a new skill, enjoy the outdoors and most importantly develop skills which will enable them to contribute positively to society. With your support we can do more, for our Charity rate please consider opting for Gift Aid. Our Partner rate applies to all of NGB registered clubs that pay annually. LBN rate is for those accessing the centre through the London Borough of Newham. All other use is Charity or Students.
